ARMED FORCES STAFF COLLEGE
Norfolk 11, Virginia

25 May 1962

Dear Ed:

Just a note to say how much we all enjoyed your being with us here, and how effective everyone feels your presentation was. There is lavish praise on all sides, and I know that Admiral Nation is writing you his own personal appreciation and that of the College for your fine performance.

Venita and I certainly enjoyed our evening with you. Next time you're down this way, which we hope will be soon, we'll visit one of the other good restaurants in the area such as we found the Black Angus to be.

I hope you had a real pleasant flight home and found everything in good order. Just drop me a note or call me up if you need anything from this end.

With kindest personal regards,

Sincerely,

JAMES L. BALLARD, JR.
